Aspley Guise & District
Riding Club

Evening Dressage for 2007- Open to Members and Non-Members

For 2007, we will be running the same format as last year with the following options:

1. Competition with rosettes to sixth place. Open to members and non-members.
2. Instruction only (20 minute sessions). Open to members only.
3. Instruction followed by entry into the competition. Open to members only.

We will aim to keep the instruction sessions flexible, with you choosing whether you would like to concentrate on certain training aspects or perhaps do a practice test with your instructor. If you do want to enter the competition after your training session, we will try to arrange for your training to be scheduled as early as possible.

To encourage riders starting out with dressage, or those with novice horses, and also those well established, we have introduced a walk and trot test and a Medium level option. The walk and trot test is the Pony Club D Level 1 test. A copy of this test can be found on the club web site or telephone the Pony Club HQ on 024 7669 8313.
