

# ASPLEY GUISE AND DISTRICT RIDING CLUB DRESSAGE CLINICS

"I'd really like to know how to get my horse to leg yield and do shoulder in"

"I think I'd like to have a go at a novice dressage test but I don't know what's involved ..."

"My horse won't trot in a straight line. I need help"

## Here's a solution:

Harry Payne, enthusiastic and friendly, runs his own yard near Rugby, producing young horses and is passionate about bringing out the best in riders and horses. Whether he is teaching you how to walk and trot, persuading your horse to accept the idea of flatwork, flatwork to help with jumping or just improving your flying changes, he's keen! He just happens to be a List 3 Judge and is a British Dressage Accredited Trainer (so knows which way round the horse should be facing) and a British Dressage Under 21's Co-ordinator (so even copes with teenagers). He has even had a career in Three Day Eventing - so loads of experience and keen to help every member of the Club, big and small, young and old, novice and experienced - you just have to believe it!

You can opt to have a lesson with Harry on your own, or if you prefer to share, you can do so, either coming with a friend, or we will try to pair you up, subject to sufficient interest. **All you need to do is complete the form below**, indicating what you would like to work on and what time of day would suit you best.
